Explanation of Terms

1. Levels: The Level represents the relative complexity of the module of study undertaken and is equivalent to the National Qualifications Framework Levels.

2. Points: The point unit is a measure of the "academic weight" of the Paper of study. One year's full-time study is generally equivalent to 120 points.

3. Grades: The following grading systems have been or are used in respect of recording of Assessment Outcomes for Papers of study.

Competency Based Grades

M   Merit

P   Pass

F   Fail
